

# Do You Have A Financing Requirement?

## Are you in growth mode, looking to:

- ✓ Acquire a business
- ✓ Expand your current business
- ✓ Acquire assets or equipment

## Are you seeking to make changes:

- ✓ Because you feel insecure with your current bank
- ✓ To improve your cashflow
- ✓ As your current bank is revaluing or renegotiating
- ✓ To achieve more competitive terms
- ✓ To restructure or release existing security
- ✓ To obtain improved service from your bank

## Scan Finance provides various financing solutions including:

### Debt

- Goodwill/cashflow finance
- Franchise finance
- Secured/unsecured financing
- Commercial bills, term loans and fixed-rate loans
- Equipment finance, lease, hire purchase, chattel mortgage
- Overdraft/line of credit
- Factoring/debtor finance

### Equity

- Venture capital
- Private equity
- Sweat equity

### Hybrid

- Convertible Notes

In some ways, we are similar to other finance brokers:

### The advantage of a broker:

- They compare terms and then negotiate across many financiers
- They project manage the overall loan process
- They keep you up to date and provide regular communication with you

We would be delighted to assist you with your finance objectives.

However, in many ways, we are very different:

### The Scan Finance difference:

- We provide multiple finance solutions: Debt, Equity and Hybrid
- We are fully licensed with both Australian Credit License and Australian Financial Services Licenses
- We have developed bank-ready submissions to streamline the approval process
- We can provide assistance with your Business Plan as may be required by lenders or investors
- We are part of the Scancorp family with over 25 years commercial and business experience
- We have an unblemished 20 year record in the finance industry
- We maintain relationships with over 30 lenders
